## Form A

Only one form per team required.

|                    |   |  |                           |  |
|--------------------|---|--|---------------------------|--|
| Team Name          | Fantastic Five – Zainab Onikoyi, Callum Wilson, Zaid Moustpha, Ibrahim Dahir, Ebenezer Odubango |  |                           |  |
| Planned activities | Activity  | Planned achievement date                     | Actual achievement date   | Notes  |
| 1                  | Initial ideas planning  | 14 <sup>th</sup> – 15 <sup>th</sup> November | 15 <sup>th</sup> November | Coming up with ideas for our project, we knew that we would be doing our project on criteria SDG 12 as this was something which we could relate to our companies.  |
| 2                  | Comparing ideas to the project brief  | 14 <sup>th</sup> – 15 <sup>th</sup> November | 15 <sup>th</sup> November | We then decided on an idea and compared it to the brief. The project idea of being able to view information about sustainability within our companies fits with the project brief.   |
| 3                  | Comparing ideas and coming to an agreed project idea.   | 16 <sup>th</sup> – 17 <sup>th</sup> November | 17 <sup>th</sup> November | We initially decided on having an app which was a picture of the globe which showed different countries who have displayed efforts of becoming more sustainable. Due to time constraints, we decided to just do the UK and highlight our companies and then share information about our companies' |

| 4  | Starting development of UK map application                                   | 16 <sup>th</sup> - 17 <sup>th</sup> November | 17 <sup>th</sup> November                    | Created git repo and implemented google map API.   |
| 5  | Starting initial documentation (1 page rationale)                            | 18 <sup>th</sup> November                    | 18 <sup>th</sup> – 19 <sup>th</sup> November | Figuring out how we'd rationalise our choice of SDG and choice of interactive tool. Also ensuring it fit on to one page                    |
| 6  | Starting initial documentation (PowerPoint presentation)                     | 18 <sup>th</sup> November                    | 18 <sup>th</sup> – 19 <sup>th</sup> November | Deciding on what we wanted to explain and expand on in our presentation. Also adjusting it once we realised, we wouldn't be presenting it. |
| 7  | Starting development of sustainability quiz attached to the UK map.          | 18 <sup>th</sup> November                    | 18 <sup>th</sup> – 19 <sup>th</sup> November | Made the quiz have 5 questions with a pass mark of 60%   |
| 8  | Sharing updates on respective project areas.                                 | 23 <sup>rd</sup> – 24 <sup>th</sup> November | 27 <sup>th</sup> November                    | Sharing updates of where everyone is up to, what needs doing and will we be done by the deadline.  |
| 9  | Sharing updates with team advisor and changing areas which need improvement. | 29 <sup>th</sup> November                    | 29 <sup>th</sup> November                    | Had meetings with Pikashi to discuss ideas and what areas to improve on.   |
| 10 | Completing UK map app and quiz and compiling into a single product.          | 2 <sup>nd</sup> December                     | 2 <sup>nd</sup> December                     | Tidied the code and separated everything into different files e.g. map.js overlay.js quiz.js   |
